Pearson Programmes

BTEC qualifications are the perfect higher education option for students looking to develop practical and technical skills that are most appealing to employers. Our suite of qualifications have three different entry and exit points to give learners maximum flexibility for their academic journey.

Pearson awarded diplomas are recognized worldwide and students completing the HND Program can use Pearson's Degree Finder Program, to find 200+ universities that offer programs to top-up their qualification to a full bachelor's degree by attending the final year of university or choose to gain entry level employment.

We offer exciting and rewarding career paths in the fields of:
Business, Computing and Engineering.

Pearson BTEC Level 2 Diploma

This programme provides learners with a high school completion diploma and is broadly equivalent to four IGCSE's.

Pearson BTEC International Level 2 Diploma in Business

12 Months

27,000 AED / Tuition Fee

Pearson BTEC International Level 2 Diploma in IT

12 Months

27,000 AED / Tuition Fee

Pearson BTEC International Level 3 Extended Diploma

This qualification contains the basic skills and practical aspects that allow students and working professionals to enhance their academic credential to progress further in their career path. This diploma is broadly equivalent to three A levels.

Pearson BTEC Level 5 Higher National Diploma in Engineering (General Engineering) (RQF)

24 Months

▶ ▶ ▶ ▶ ▶ 45,000 AED / Year

ACCA Courses

ACCA Courses

ACCA (Association of Chartered Certified Accountants) is one of the world's leading bodies for professional accountants, recognized by employers and organizations worldwide. ACCA members are some of the most highly sought-after finance professionals around the world thanks to their unique skills, forward-thinking mentality and in depth training in specific fields.

We offer an all-inclusive preparation course with proprietary study notes, flexible in-campus class timings, mock examinations and review sessions tailored to the challenges of each ACCA Paper.

Students completing the ACCA Program can also avail the Oxford Brookes University (OBU) mentorship programme offered by the ACCA to gain a bachelor's degree from Oxford Brookes University.

Foundations in Accountancy (FIA)

The ACCA Foundations in Accountancy (FIA) programme includes a suite of modules that are suitable for early learners in the field of finance and accountancy.

It provides students with flexible entry points, allowing students to take only the modules necessary to gain admissions to complete the ACCA qualification. This foundation programme also helps students get the foundation skills necessary to gain entry level employment in finance and accounting positions.

Recording Financial Transactions (FA1)

2,000/- AED
